Taking a Stand in History! History Day Topic Timeline

Directions: Use iPads or computers to research the “before, during, and after” of your topic. First, place the main event in the middle of your timeline. Include the date and what happened. Your main event has to connect with this year’s theme: *Taking a Stand in History* (example: MLK leads March on Washington). Next, find what events happened before and after your topic. Include at least 10 events on your timeline.
